PUBLIC LECTURE

Meet the author: Prisoner X

The true story behind the intriguing but ultimately tragic story of Ben Zygier: son, soldier, spy.

Zygier, a dual Australian-Israeli national, dubbed Prisoner X by the Israeli government, was found dead in a purpose-built isolation cell in a maximum security prison in Tel Aviv in 2010.

Kept in one of the most technologically sophisticated solitary jail cells, at the behest of one of the world's most feared intelligence agencies, it is not easy to kill yourself.

But Ben Zygier managed to do just that. Did he work for Mossad? Was he also working for ASIO? Was he involved in the supply of false passports? Was he a whistleblower or double agent, or simply a young man way out of his depth?

In *Prisoner X* Rafael Epstein uncovers the intriguing story of a young Australian swept up in international intelligence

Rafael Epstein is an awarding-winning journalist and ABC broadcaster. He currently presents Drive on 774 ABC Melbourne. He knew Ben Zygier when they were both involved in Jewish youth movements in Melbourne
