Big Night Out

Get set for a night to remember! This Thursday the amazingly talented bands from each college will be showing off the awesome music they've been working on.

There's a nice mix of everyone's favorites and some of the more obscure songs: If you're anything like me you'll be heading to *totally legal* music download sources to get all the hits of the night.

We want all 100 of our tickets to be sold so we can support all the hard work the band has been putting in - after the Big Night In we all know how amazing they are!

Band Night is definitely not one to be missed. Make sure to get a ticket before it's too late! Speak with an Arts Rep or jump onto Dragonlair and follow the link to buy one!

GTM Canberra 2015, Sunday May 3

Tickets are still available for Groovin the Moo Canberra! The lineup is looking pretty awesome: Ball Park Music, Charli XCX, Flight Facilities, Hermitude, Meg Mac, San Cisco, Sticky Fingers and more! Head online to purchase your ticket for \$99.90.

Sponsorship!

Bruce Hall has now established an ongoing partnership with the **As You Like It Cafe**, located in the foyer of the **Street Theatre** at the civic end of University Ave. We will be looking to them for sponsorship deals and support throughout the year for various events, but one exciting aspect of our new relationship is **half price second coffees and \$10 breakfasts**. Just show them your Bruce lanyard at the counter to be able to take advantage of their fantastic coffee/hot drinks. We would love as many Brucies to be taking advantage of this throughout the rest of the year, so keep your ears open for more info coming soon.

LEARNING COMMUNITIES

Women and the Asia Pacific

While the dynamic rise of the region is enjoying unprecedented global attention, the unique consequences for the lives of women wrought by ongoing economic, political and social changes remain relatively new territory.

The Asia-Pacific Learning Community and Diversity Learning Community are bringing together five leading female scholars at the ANU to lead a night of inquisitive discussion on 'Women and the Asia-Pacific'.

Tuesday 6.00pm, APCD Lecture Theatre, Hedley Bull
