

BRUCE 'BILL' ITIN

FRIDAY 2 MAY 2014 – SATURDAY 10 MAY 2014

BIG NIGHT OUT

Congratulations Bruce on an amazing performance last night! The 'Big Night Out' certainly lived up to its name with great acts from all the colleges, but with Bruce clearly a stand out. Earning a close, well-deserved second place, everyone at Bruce is proud of all its dedicated performers on the night: Stephen, Hugh, Ella, Jock, Vaidehi, Henry, Katie, Kat, Chris, Todd and Rhys. Thanks for such a brilliant performance!

RHETORIC LC EVENT

Ethics of journalism: do we deserve to know?

In recent times we have seen technology transform journalism in modern society. Technology and especially the internet has vastly accelerated our demand for information. Journalists are more important than ever before in satisfying the public's hunger for information. However, are there rules that journalists should follow? How should journalists balance individual, organisational and governmental privacy against the freedom of information? Join Rhetoric for this year's second major to find out more!

Venue: Hayden-Allen Lecture Theatre (the Tank), Copland Courtyard, ANU

Date: Monday, 5 May 2014

Time: 7:00 PM - 8:30 PM

PUBLIC LECTURE

Exploring Mars with the Curiosity Rover

Curiosity touched down on the Martian surface early August 2012, since then it has made miraculous discoveries by inspecting the planet's geology and chemistry. It's at the forefront of Mars exploration and Dr. King has an extensive knowledge of mission goals and how these are attempting to be fulfilled.

Venue: DA Brown Lecture Theatre, J8, Research School of Earth Sciences, Mills Road

Date: Tuesday, 6 May 2014

PUBLIC LECTURE

Mt Stromlo Observatory Public Astronomy Nights

The Mt Stromlo Observatory in conjunction with the Canberra Astronomical Society invite the Canberra community to attend our public observing nights of 2014. Come and see the rings of Saturn, the craters of the moon as well as beautiful star clusters and nebulae. On the night attendees will be taken on a 'tour of the universe' with talks by astronomers from Mt. Stromlo Observatory, including the director of Mt. Stromlo Observatory, Prof. Matthew Colless, and observations on several telescopes.

Speaker/Host: Research School of Astronomy and Astrophysics and Canberra Astronomical Society

Venue: Mt Stromlo Observatory, Cotter Road, ACT

ANU BAR EVENT

Groovin The ANU

Loud So Clear: 8.30-9pm

ZZG: 9.20-9.50

Paryce: 10.10-10.40

Time & Weight: 11-11.30

A new monthly event "Groovin The ANU" is a gig for original local acts (any genre) whom just want to play but can't get a gig due to exposure and/or expense. We realize it's hard to get a gig at the ANU Bar due to lack of support opportunities or your act is just not strong enough to pull the numbers required for a viable gig.

So..

One Friday every month, the ANU Bar and Greenroom Canberra will be waiving all fees to host a FREE gig. Let's face it, most of the time the door split is a couple of bux to each band anyway, so if you're up for playing for nothing to what will hopefully be a larger than normal crowd at the ANU Bar, then drop your band name at www.facebook.com/greenroomcanberra with any relevant links etc and we will be in touch.

FREE ENTRY: 18+ / Doors at 8pm
