

# The Bruce Billetin

*Doing it for Bill since 2014*

ISSUE #96.5: Monday 22<sup>nd</sup> May – Monday 29<sup>th</sup> May

Who thought it was a good idea to have 12 week semesters? How come an hour long lecture takes half a year, but half a year flies by in what seems like an hour? How much wood would a woodchuck chuck if a woodchuck could chuck wood? Not too sure about the first two but according to a researcher at Cornell University, the answer to the last question is 700 pounds of wood. Google it to find out the logic behind that conclusion.

There are **7** sheep  
in this Billetin

## WHAT'S ON IN CANBERRA

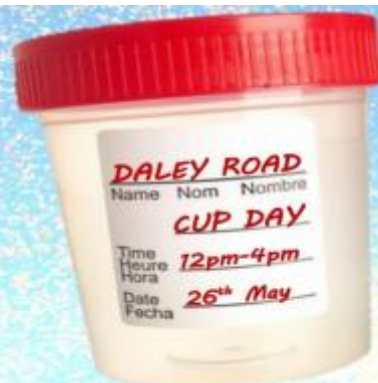

### THE MAKERS & SHAKERS MARKET CANBERRA

Albert Hall, 2.2km from CBD  
27 May 2017

Following on from the theme of the High Table last week, the makers and shakers market has finally come to Canberra after a tour through Sydney and Melbourne. From jewellery to gourmet chocolates and everything in between, it's probably out of your price range but a bit of window shopping and free taste tests are always fun anyway.

The Green Sub Committee have partnered up with Conservation Volunteers to do some free full-day excursions around Canberra where you get to help preserve the beauty of some of our best nature reserves. To sign up, search for Cherry Zheng's post about it on Banter which has a registration link attached.

## FREE Sexual Health Testing

with

Hosted by Bruce Hall

Details and sign-ups  
coming soon!

Do you keep missing out on cups in the Dining Hall at mealtimes? Don't worry, because this Friday there will be a heck of a lot of cups around Bruce; the only difference is that we recommend you pee in them instead of drinking from them (and definitely don't do both).

Jokes aside, sexual health testing is very important and this is completely FREE so it's a good opportunity to do it. All you need to do is pee in a cup and then they will let you know if you have any (usually easily treatable) conditions. On top of that, there are FREE milkshakes, a bake sale, and a lucky door raffle.

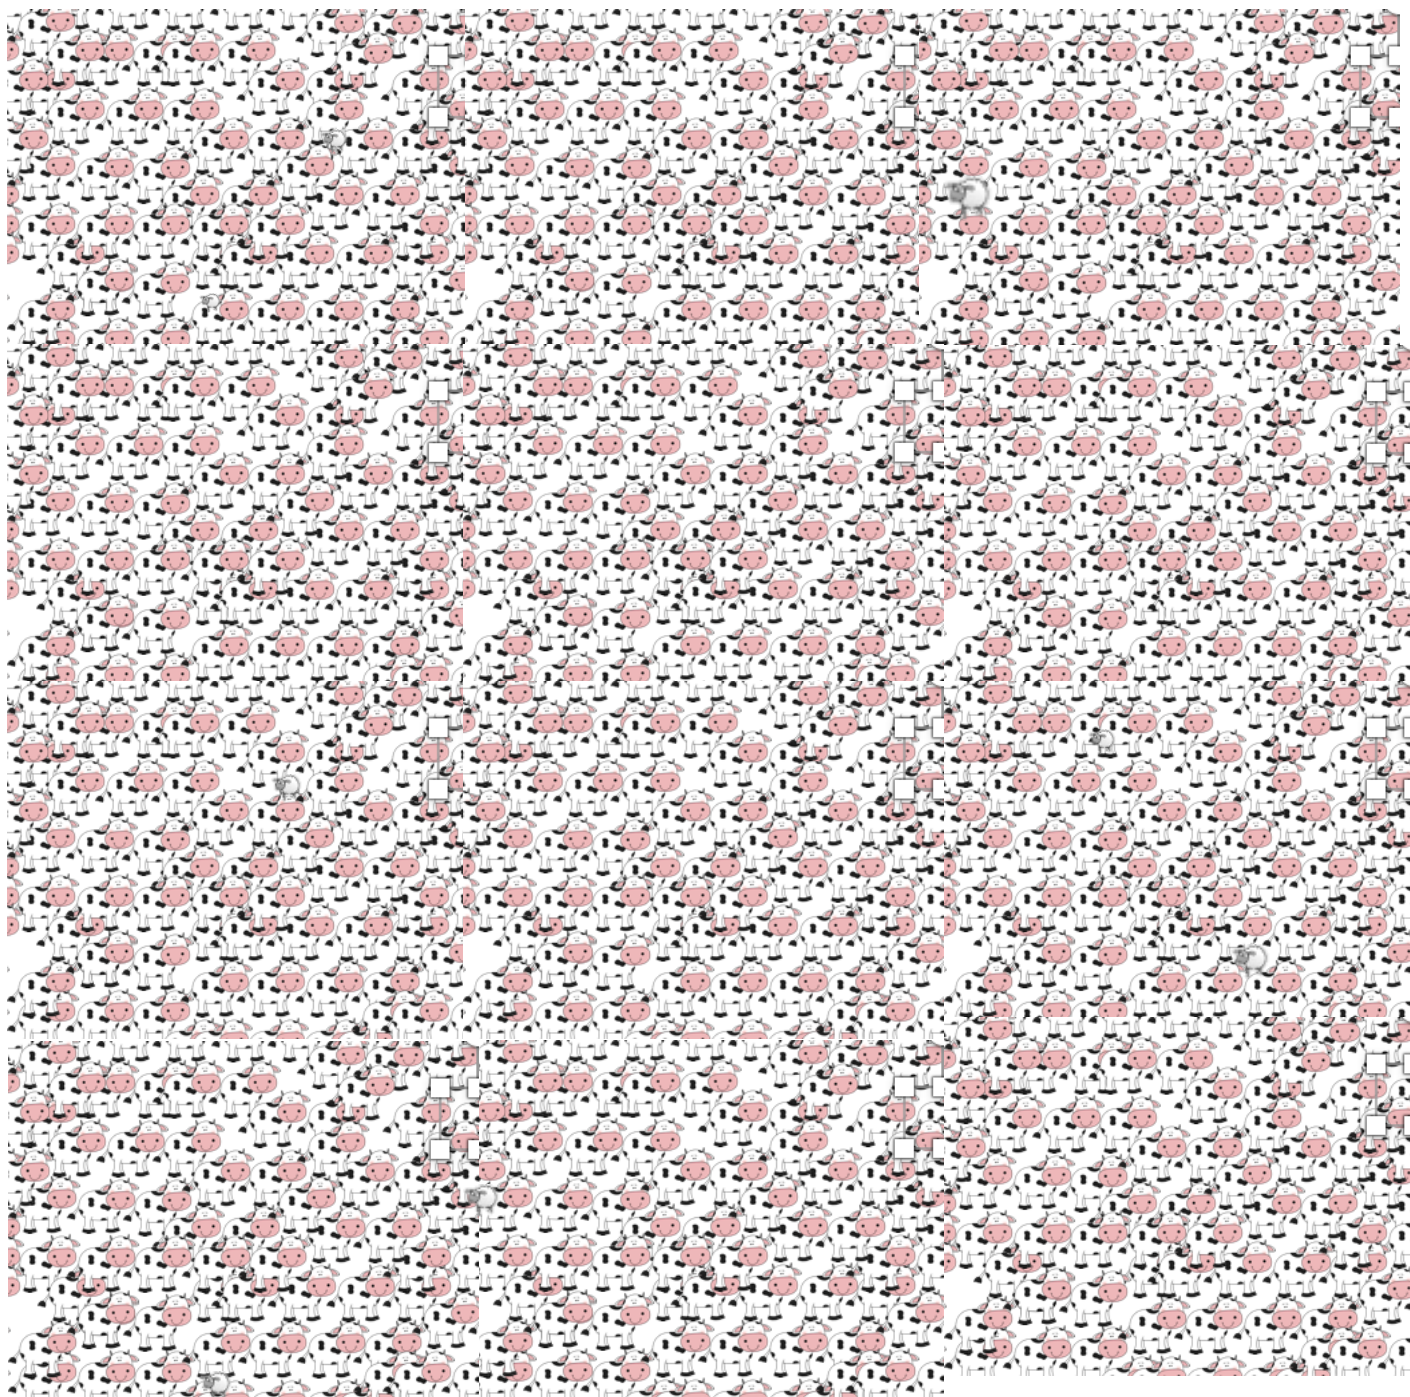

It's necessary to acknowledge that some people (well, a lot of us) may be slightly embarrassed to do this sort of thing, but it's worth it to have peace of mind and know that you're safe so please come along.

Sign ups are necessary so please go to the facebook event 'Cup Day 2017' to register.

Some of you have previously complained that finding the sheep in the Billetin is always too easy. This week I've chucked in a few cows to disguise them so hopefully that will stir things up for you. Enjoy!

1. What mountain is the tallest point in Japan?
2. What do climbers rub on their hands for extra grip?
3. Perfecto, torpedo, and parejo are all shapes of what?
4. What type of animal was Bambi's friend Flower?
5. What is the heaviest internal organ of the human body?
6. The Greek god Pan was half man and half what?

## Trivia

7. What breed of dog is Scooby-Doo?
8. What is the capital city of Sri Lanka?
9. What is the capital city of Nepal?
10. How many seconds are there in an hour?

1. Mt Fuji! 2. Chalk 3. Cigars 4. Skunk 5. Liver 6. Goat 7. Great Dane 8. Colombo 9. Kathmandu 10. 3,600
