ISSUE 7: MONDAY 30 MARCH – MONDAY 6 APRIL

IB 2015

Inward Bound Wrap-up

Wow, where to even begin. This year's IB was pretty damn amazing. If you look at each division there's an awesome story to be told. From Div 1's mission to #bringharryhome to Div 4's last minute substitute to Div 3's epically long journey back to endpoint, there's plenty of reasons to mark IB 2015 down as a memorable one.

A massive thank you to all our volunteers for helping out with the massive task of putting Inward Bound and Endpoint together. It gets said time and time again, but it's something that IB admin can't do without your help.

Also a personal thanks to everyone who helped me out with coordinating stuff on the Bruce side of things – your work in maintaining my sanity was appreciated!

Finally, thanks to everyone who came out to endpoint to cheer our runners across the line! The day is about them and you are the ones who make it special!

Welcome Rochelle!

For those who have failed to read the lovingly prepared CRC minutes, our new Head of Hall begins this week. If you see her around don't hesitate to say hi - I know that she can't wait to get to know everyone better! It's an exciting time to be at Bruce!

Enjoy the Break!

It's the last week of Term 1 – how the time flies! I hope you've all had a fantastic start to the year. Take the next 2 weeks to catch your breath, reconnect with family and if you're anything like me, finish the big pile of uni work that has been building up all Term.

For those who will be staying at Bruce, The Billitin will be back with a holiday edition jam-packed with fun stuff to do over the break. These breaks are an awesome way to get to know some of the other Ressies better. There will be plenty to do, so stay tuned!

RHETORIC

ANU • LEARNING COMMUNITY

Rhetoric LC Presents... Face to Face: Sociology and Criminology

Come join us for the first of four events throughout the year in which you can get to know some of ANU's most popular academics and ask them questions about their research and careers. This term's session will feature a sociologist, Associate Professor Alastair Greig and a criminologist Dr. Jason Payne.

SOCIAL

Official IB After Party Monday Night - The RUC Turner

Let it never be said that we make those poor runners cross the line without a party afterwards! Overcome those sore limbs and head to the RUC for an awesome celebration with all the other colleges. Please note that all runners *and* volunteers are invited.

Bruce Pride Buttery Night Thursday Night - 8.00pm

Dust off the dancing shoes, pull out the bruce merch and get ready for the final buttery night of the term. Attendance will be high with the IB runners back in action, and what's more, it's a public holiday on Friday! No excuses for not having an awesome time – see you there!

PUBLIC LECTURE

The Ethics of Giving: Why, Where and How Much?

Wed 1 April @ 4.00pm
Barton Theatre, JG Crawford Building

You have the power to do an enormous amount of good with little money, if you use it wisely: You can spare a child from debilitating parasitic worms for less than the price of a cup of coffee. You can save hundreds of lives during your working years, by giving away 10% of your income to fighting malaria.

In this lecture, Dr Theron Pummer argues that we should give to charities helping people in extreme poverty, that we should give to the most cost-effective charities we can find, and that we should give considerably more than most people do.
