

BRUCE 'BILL' ITIN

SATURDAY 31 MAY 2014 – SATURDAY 7 JUNE 2014

NUMBER 2

Emulating the Bruce institution of 'Number 2', Bruce basketballers and dancers have claimed silver in their respective events.

Basketball

The Bruce mens basketball team went down in a nail-biting grand-final against Griffin on Friday. Despite a solid performance during the term, the Griffin team proved too good, breaking away in the second half to win 48-40. Bruce started the game confidently, buoyed by a succession of three 3 pointers from Jamon. Moreover, with scores of blue-faced, bin-bashing Bruce supporters swamping the stands and with last year's grand final victory under their belt, the Bruce team had reason to be confident. Yet with a large number of fouls and with an effective defence from Griffin, Bruce had trouble maintaining their lead. A tense first-half ended in a tie, at 25-all, despite consistent scoring from Fergus, Jaden, Jamon and Elliot. However Griffin stole the lead in the second half and Bruce switched on their defence. This was demonstrated with a swift mid-court intercept from Fergus and subsequent score which took Griffin off guard. Jamon also did his best to claw back the lead, netting two more 3-pointers and pumping up the crowds as the scores drew nearer. Yet it was a race against time in the final three minutes, with a six point difference separating Bruce from victory. Emotions were high, and Errol, Saxon and Kadison were fired up in their attack as Griffin got the better of them. Unfortunately another few fouls gave Griffin the insurmountable lead they needed to cement their win in the final minute and a half, ending the game 8 points ahead to top the 2014 Basketball shield. Yet Bruce sportsmanship shone through with the joint Griffin buttery night allowing both sides to relax, and for Bruce to really display that 'number 2' culture. Congratulations to all the Bruce players: Itai, Shash, Saxon, Jamon, Edmund, Fergus, Errol, Jon, Elliot, Jaden, Kadison, Huddo and Janis.

PUBLIC LECTURE

ICJ landmark ruling against Japanese whaling

The ruling of the International Court of Justice that the JARPA II program did not constitute whaling for scientific purposes was a landmark decision. The decision brought to an end Japanese whaling activities in the Southern Ocean for the first time in 25-years.

The history leading to the 'Whaling in the Antarctic (Australia v. Japan)' judgment represents an intriguing illustration of the interplay of foreign relations, activism and international law. It highlights the role of international law, and the potential it has, to provide important protections for our environment and biodiversity.

This event brings together three prominent contributors to the opposition to the Japanese Whaling program and each will provide unique insights into the roles of Government, activism and academia. Drinks & canapés will be served and are included with the ticket.

Attendance of this event will earn 1 CPD units for legal practitioners. Reservation essential – call 6243 3460

Interhall Dance Night

Months of hard-work paid off for the Bruce dance troupe after they claimed silver in the inaugural Interhall Dance Night. Bruce creativity was on display as the team of 18 showed off their coordinated performance, dancing to the Gadsby-inspired 'Bang Bang' by Will.I.Am, followed by a mash-up of Rick Astley's 'Never gonna wake me up' and Avicii. Underpinned by contemporary, Jazz, ballet and Bollywood themes, along with some good old #swag, Bruce impressed the panel of judges, coming second only to Burgmann. The great result is attributed to the hard work of troupe leader Alex Fogg, who directed the tireless team of Kirslin, Jaden, Kathrine, Matt Berrington, Girodi Jenna, Henry, Guy, Matt Allanby, Jacqui, Lance, Abhilash, Abigail, Anna Martel, Chehak, Elisha and Josey.
