Term 2 Arts

Oh boy oh boy, one of the best nights of the year is just around the corner... What am I talking about? The Big Night Out of course! But that's certainly not all; the Term 2 arts calendar is jam-packed with some of our most loved and exciting events. Stay tuned to Dragonlair and updates from the Arts Reps for more, but until then here are some important dates to remember:

SOCIAL

Trivia Night

Thursday 8.00pm

What's that? 12 questions of trivia isn't enough for you? Well as it turns out, you're in luck! Come celebrate the start of the term by displaying all the fun things you've learned over the holidays. Some say that the difficulty will be toned down a bit since last time - I say that you shouldn't count on it. Grab a drink and some snacks from the Buttery and get set for a fun night!

Big Night In

Saturday 7.30pm

Before our awesome band tears up the stage at the Big Night Out, they'll be performing exclusively for all of you! Roll up your sleeves and come up to the JCR on Saturday night to hear the whole Bruce set in all its glory.

Interested in Studying Overseas?

Monday 20 April, 11am-3pm @ Union Court

Come and meet representatives from our amazing partner universities from countries around the world and chat to previous and current exchange students about their experiences! ANU Global Programs staff and ANU academic college representatives will also be present to help you with any questions.

There will be a free BBQ from 12pm-2pm, music and other fun things! Come along to find out more about going on exchange, short overseas programs and study abroad opportunities.

PUBLIC LECTURE

Australia's Rich Immigration History: Reflecting on the Past and Looking to the Future

Tue 21 April @ 6.00pm

Molonglo Theatre, JG Crawford Building

In this keynote address on Australian immigration, Michael Pezzullo (Secretary of the Department of Immigration and Border Protection) will highlight that immigration is a matter for national governments, and will discuss how successive governments within Australia have both built and shaped the nation, in part through the management of immigration.

Mr Pezzullo will offer his analysis and insights into the challenges and opportunities of the increasing international movement of people in a globalised world.
